

## **New Automatic Extinguishing Agent System Fee Worksheet**

The information in this section pertains to the permit and inspection fees for New Automatic Extinguishing Systems. This includes, but is not limited to CO2, Clean Agent, Explosion Suppression and Dry Chemical systems. The permit fee includes the initial inspection of the system. Any re-inspections to a failed system will result in a \$175.00 per system re-inspection fee and must be paid prior to the re-scheduled inspection.
