

Standpipe Systems Inspection Fee Worksheet

The information in this section pertains to the permit and inspection fees for Standpipe systems. This includes new installation, additions, or modifications to the system. The permit fee includes the initial inspection of the system. Any re-inspections to a failed system will result in a \$175.00 per system re-inspection fee and must be paid prior to the re-scheduled inspection.

Number of Standpipe Systems _____ x \$ 100.00 (A) _____

Total System Fees \$ _____

****All fees must be paid prior to receiving review comments**

Checks can be made payable to:
